

Karcher T 12/1 Dry Vacuum

CODE: KART12/1

- Powerful, yet quiet German made vacuum ideal for both commercial and domestic duties where good suction and low noise levels are required.
- Large capacity with permanent washable nylon filter – unit can be used with or without huge disposable fleece filter bags (10 Pack K69043150 \$44.95).
- Large rugged on/off switch positioned for ease of operation.
- The extra long 12 metre cable can be wound around the cable wrap integrated into the machine canister.
- The fold out cable hook can be used as alternative cable storage when shifting to a new cleaning location.
- Floor tool and wands can be secured to machine via special bracket allowing the machine to be stowed in minimal space.
- Optional HEPA filter cartridge available (K64148010 \$79.95).
- Power socket for attachment of optional power brush.
