

## Kärcher BD80/120

Code: KBD80/120

Industrial grade, battery powered walk behind scrubber. The BD80/120 is a powerful cleaner for larger areas and more challenging environments.

It comes complete with a range of features and innovative cleaning technology including:

- 80 cm scrub path and 120 L tanks for efficient cleaning of large areas.
- The Aqua Mizer system makes water and chemicals used with the machine clean longer.
- Robust chassis and tanks, with powerful 36V battery system for long run times.
- Easy brush change and clean without any tools required.
- Clearly laid out controls and excellent sight lines ensure ease of operation.
- Foam filled tyres for easy travel, even on rough surfaces.
- Handy on board storage compartment.
- Includes curved squeegee and powerful vac fan for optimum water pick up.

**Applications:** This unit is perfect for large retail facilities that require daily cleaning, and industrial applications in warehouses, workshops, etc.

**Standard accessories:** Twin disc brushes, batteries and charger.
