

Kärcher BR45/40

Code: KBR45/40

The BR45/40 is a battery operated, walk behind scrubber drier that is ideal for scrubbing small to medium sized areas. The BR45/40 replaces the popular BR530 model.

It comes complete with a range of features and innovative cleaning technology including:

- EASY(Ergonomic Application SYstem). Simple one button control makes for quick operator training and ease of use.
- A special feature of the machine is its hose for viewing the level of clean water in the machine, as well as quick and easy drainage of the fresh water tank.
- Easy access to waste water tank for hygienic cleaning.
- Easy brush change and clean without tools.
- A removable strip allows for easy cleaning of the water distribution tunnel.
- Powered by maintenance free Gel batteries.
- On board charger for quick and easy re-charging of the unit.
- Optional sweeping attachment for coarse dirt.

Applications: This unit is perfect for contract cleaners in the retail and food industries, healthcare and manufacturing.

Standard accessories: Twin roller brushes, batteries and charger.
