

## Motor Scrubber

CODE: ADMS

Cordless scrubber for difficult to reach areas

- A powerful, lightweight, 12-Volt battery powered cleaning and polishing system for reliable, safe use on floors, walls, painted surfaces, or any hard to reach areas.
- Designed for safe reliable use, the Motor Scrubber quickly and effortlessly cleans your restrooms, showers, locker rooms, windows, stairwells, pools, and motor vehicles.
- The Motor Scrubber operates off a 12-volt DC battery, which is safe for use around water. The Motor Scrubber allows you to scrub and polish where there is no electric outlet available.
- The Motor Scrubber comes supplied with a 12 volt DC battery pack and harness. The supplied 12 volt battery provides up to 4 hours of intermittent use and recharges in 10 to 12.5 hours.
- To charge the battery, just plug it into the automatic charger supplied and leave to charge overnight.

**Standard Kit Includes:** Scrubber, Handle, Battery with Harness and Cord, Light Duty Brush, Pad Holder with 2 Pads.
